TIPS ON POSTING within the MCKENZIE MDT FORUM (as of 6.18.2015)
Here's a short guide to help you:

- **Start new Discussions (Topics), or**
- **Comment on existing Discussions**

<mark>On the home page of the Forum, your menu at the top of the page should look like this:</mark>

- **<u>Discussions</u>** = Home page default view. Shows all Discussions to date in more detailed form; Author, Topic, explanation and Comments, if any have been posted.
- **<u>About</u>** = Details about the group and group rules
- **<u>Search</u>** = Shows all Discussions to date in a short list; highlights the Author and Topic

---

1. <mark>**DISCUSSION View (default)** :</mark>

You can sort this view by:

- Recent (last Topic started) or
- Popular (Topic with most Comments.)

<mark>This is currently the RECENT view.</mark>

==This is currently the POPULAR view since it has 56 Comments:==

Stacey Lyon Executive Director, The McKenzie Institute ⌄

Welcome to the McKenzie MDT Forum...What is your work environment?

Private practice, hospital based, etc. - different environments can present different challenges to effectively use MDT as your first step to patient care. What's yours?

Add a comment...

==To COMMENT on an existing TOPIC (Discussion) post,==
Simply click your mouse where it says **"Add a comment..."** as shown in the example of above. This keeps all comments on the same Topic/Discussion together.

==To CREATE a NEW TOPIC (Discussion Title)==, just beneath the menu on the home page is this view:

Your photo | **Start a discussion with your group**   ✕

1. Enter a discussion title   200

2. Add some details...

Discussion type: ⦿ General   ○ Job   ○ Promotion   **3.** Share

1. **Discussion Title =** TOPIC; shows up as larger font
2. **Add Details =** Asks a question, or explains the Topic
3. Then Share to Post
