MICANADA SPECIAL ONLINE AUDIT RATE

Do you need to take a course to maintain your continuing education compliancy?

Or, do you want to work towards getting back on the McKenzie referral list?

Or, has it been a while since you took a course and you want to get up-to-speed with all the changes and research?

Whatever the reason, this AUDIT special offers the perfect solution!

Beginning immediately, MICanada will offer a special audit rate on any A through D courses that are offered fully online.

- This special rate is only available to Canadian clinicians currently practicing in Canada that have previously taken the course type that they are registering to attend.
- This special is only offered on fully online courses and available spaces at the special rate will be limited on each course, so please register early.
- MICanada reserves the right to withdraw this offer at anytime, at its discretion.

Please check our website to see our online course offerings.
