

## McKenzie Institute Canada- Course Eligibility Policy 2025

All health professionals are responsible for adhering to their scope of practice. Adherence to your scope of practice is also required when participating in a McKenzie Institute course. For some clinicians, some course content may fall outside of their scope of practice. In that event, the participant should not engage in those areas of the course. If you have any questions regarding the content of the course, please feel free to contact the MICanada branch office at [mckenziecanadamdt@gmail.com](mailto:mckenziecanadamdt@gmail.com)
