INSTITUTE®  
CANADA

## Congratulations

### to Canada's newest **CREDENTIALLED MDT** Clinicians!

MICanada is pleased to announce that 9 Canadian clinicians successfully attained **Cert. MDT** status in January 2023. We are happy that the number of Credentialed MDT clinicians continues to grow across Canada providing more patients with access to quality care in Mechanical Diagnosis and Therapy®. The Robin McKenzie Institute Canada is celebrating the achievement of all the clinicians that methodically progressed through the McKenzie Institute Credentialling Program and successfully passed the Credentialling Exam this year.

Below are the names and the practicing location of the clinicians that recently attained certification in Mechanical Diagnosis and Therapy. Congratulations everyone! Should you want to contact them for professional purposes, their contact information can be found using the McKenzie Provider tool on our website.
